**Future Work of Committee:**

Committee will meet before the end of Fall Semester to answer the questions posed by Dr. Boehmer on September 30:

I would like the tobacco free campus task force to recommend practical guidelines about enforcement. This should include (but is not limited to):

What will role of our police dept be?

Will we enforce outside ban in parking areas?

Will we enforce smokeless tobacco ban at baseball/softball games?

Will violations by students be referred to student conduct?

Will violations by faculty/staff be referred to supervisor?
