A variety of improvements have been made including new floor covering, new railing over the top of the planetarium seating, upgrading light fixtures in offices and classrooms to LED, the addition of a new storage room, new upholstery for classroom chairs, painting all wall surfaces, and updates to the air conditioning system.

We have a variety of activities planned for September, and we hope you will join us soon and take a look at the new and improved Fulford Center!

FALL SAT REVIEWS SCHEDULED

There are many parts of a successful college application. Many view the SAT score as one of the most important parts of that application.

In an effort to familiarize students with the SAT test directions, the types of questions on the test, and the necessary skills for SAT success in the math, writing, and language sections, the Fulford Center will offer two review sessions for area students. SAT Reading/Writing/ Language Review will be held September 16-19 from 4:00 p.m. until

6:00 p.m. The SAT Mathematics Review will take place September 23-26 from 4:00 p.m. until 6:00 p.m. The fee is \$10 for one week or \$15 for both weeks. Students will receive a test review notebook and sample test sections.

The review sessions aim to equip students to achieve the highest possible score on the test. The sessions are taught by highly qualified and experienced instructors. Interested students should register through their school counselor or contact the Center at (478)289-2464.

VETERANS FORUM TO BE HELD SEPTEMBER 13

Twenty-year army veteran Tonya Price will be here Friday, September 13, to provide valuable VA claims filing assistance to veterans and family members. Now retired, Ms Price is dedicated to veterans and provides volunteer service as a Chapter Service Officer with Disabled American Veterans. She has been providing assistance to veterans and their family members since 2012 and was a 2018 nominee for the Sisters Only Club Shero Award recognizing outstanding women in the Central Savannah River Area who are making a difference in the lives of others.

The forum is scheduled from 1:00 p.m. until 4:00 p.m. We hope you will join us for this most informative session.
