

Change of the Name of Associate of Arts In Interdisciplinary Studies (AAIS)

Proposal:

We propose to change the name of the Associate of Arts in Interdisciplinary Studies, to Associate of Arts in Liberal Arts.

Justification:

The name AAIS is not attractive to students and doesn't reflect the nature of the degree. Students are often confused about the name of the program and show very little enthusiasm about it. Liberal Arts is a more suitable name for this program since students can use courses from several disciplines to fulfill the requirements of area F of the program. In addition, the USG system office has highly favored this name change.
