

Minutes of the September 5, 2018, Stated Meeting of the
East Georgia State College Faculty Senate

Faculty Senate elected to conduct business online for September.

Open Business:

Each Senate member reviewed the status of overload pay. Dr. Vess responded to questions. She stated that in the past, that the faculty overload pay was treated the same as the part-time pay—payments started in September. However, she made the change. This fall, payroll was submitted immediately after the drop deadline in August so faculty will receive overload pay in their first paycheck. Contracts have been submitted.

Dr. Boudreaux created a survey to poll faculty's response to orientation. It was MSA and sent out among faculty.
