

Fraud Policy

There are situations where students and/or parents willfully falsify or misrepresent information for the purpose of obtaining financial aid that a student is not eligible for. As administrators of Title IV programs and funds, the College is obligated to ensure processes are in place to protect against fraud by applicants or staff. The Financial Aid Office is required to have a policy of referral when confronted with actual or suspected cases of fraud and abuse [34 CFR 668.53(a)(5), 668.14(g)].

Policy for Fraud

Individuals who willfully submit fraudulent information and/or documentation to obtain financial aid funds will be investigated to the fullest extent possible. All cases of fraud and abuse will be reported to the proper authorities.

Procedures for Fraud

If a financial aid officer suspects or determines intentional misrepresentation of facts, false statements, or alteration of documents which resulted or could result in the awarding or disbursement of funds for which the student is not eligible, the information shall be reported to the Director of Financial Aid for further review and possible disciplinary action. If the Director determines or suspects fraud, all information will be forwarded to the Vice President Student Affairs, the Office of Inspector General of the Department of Education, and/or the local law enforcement agency. Note: The regulations require only that the College refer the suspected case for investigation, not that we reach a firm conclusion about the propriety of the conduct.

The Financial Aid Office must identify and resolve discrepancies in the information received from different sources with respect to a student's application for Title IV aid. These items include, but are not limited to:

- Student aid applications
- Need analysis documents (e.g., Institutional Student Information Records (ISIRs) and Student Aid Reports (SARs))
- Federal income tax returns
- Documents and information related to a student's citizenship
- School credentials (e.g., high school diploma)
- Documentation of the student's Social Security Number (SSN)

- Compliance with the Selective Service registration requirement and other factors related to students' eligibility for Title IV funds

Some forms of financial aid fraud include, but are not limited to, the following:

- Forged signatures on an application, verification documentation or master promissory notes
- Falsified documents - including reporting members that are not part of your household
- False statements of income
- False statements of citizenship
- Use of fictitious names, addresses, SSNs
- False claims of independent status

Cases of fraud will be reported to the Office of Inspector General (OIG):
